The Department of Financial Institutions (DFI) – in partnership with Kentucky AARP, the United States Postal Inspection Service, the Senior Medicare Patrol and the Attorney General's Office – is hosting the free, public event to raise awareness about the techniques con artists use, so seniors can recognize the tactics and protect themselves from fraud. The event also is co-sponsored by the Pennyrite Elder Abuse Council and PACS – Christian County Senior Center.

“Financial exploitation of the elderly can be as devastating as physical abuse,” said Attorney General Jack Conway. “My office is committed to protecting and educating Kentucky’s senior citizens so they won’t become victims of financial fraud.”
